

# Student Lunch and Conversation

with

**Penny Green**

**Penny Green is Professor of Law and Globalisation at Queen Mary University of London, where she founded and directs the International State Crime Initiative (ISCI) and co-founded the Centre for Climate Crime and Climate Justice. She has published extensively on state crime theory, state violence and resistance to it, Turkish criminal justice and politics, "natural" disasters, genocide, and mass forced evictions. Her co-authored work on the Rohingya genocide, Chronicle of a Genocide Foretold, will be published in October.**

**O'Brien Distinguished Visiting Professor, Scripps and IFC**

**Pizza (from Pizza N Such) will be provided!**

**Friday, May 1, 2026**

**12:00–1:00 PM**

**Vita Nova Conference Room, Scripps**
